

Angelica Music

FOR CONTRIBUTING WRITERS

Thank you for your interest in contributing to angelica-music.com. Please use this document as a reference for submitting material, but feel free to write to john@angelica-music.com with any further questions.

WHAT WE ARE:

Angelica Music is an online magazine dedicated to promoting community by exploring and sharing music and art throughout the Northeast.

WE PROVIDE:

- Interviews
- Videos
- Artwork
- A monthly playlist
- Album and Concert reviews
- Upcoming event announcements

CONTRIBUTING WRITERS:

We'll send you to a concert, you'll write us an article. If you'd like to write about a different event, or have another idea, feel free to submit something.

WHAT YOU GET:

We know a plethora of artists and venues and are constantly creating art opportunities. This means we're growing, and with you as a contributor you can develop a voice and name for yourself while adding to the future of a music magazine. If you continue to contribute, you'll have more opportunities to meet musicians, interview them, and work with venues in promoting events.

HOW DO I SUBMIT WORK?:

- Check out angelica-music.com to see what sort of work we do. If your musical taste or writing style differs from what's online already, don't worry. We want a variety; that's why we're reaching out for contributors. As long as you're down with the mission, we want your articles.
- Write to john@angelica-music.com, letting us know you're interested in submitting an article. Tell us a bit about yourself too: what music you like, how long you've been writing, and please provide full contact information.

To Submit a Concert Review:

- We'll set up an opportunity for you to go to a show and write about it. Bring your camera and snap some shots of the event you're reporting on too. Don't worry if you can't; we can get creative with images.
- Enjoy the show! Do whatever you've got to do: take notes, ask for a set list, or interview the audience.

To Submit an Article on Your Own:

- If you have your own concept for an article, let's talk. We love nurturing ideas.
- News articles can be about venues, events, galleries, exhibits, cool gear, new bands, or anything of interest to live music.
- If you have connections to artists yourself, we love in-depth think pieces.

When You're Ready to Submit:

- Edit thoroughly. Angelica Music holds a high standard of quality for the content that we publish. In addition to our regular visitors, artists are notified when they're being featured.
- Most submissions are published. Feel free to contact us again for another article, and we may even ask you to contribute regularly.
- We reserve the right to not use your article, but we always do our best to suggest edits that can lead to publication.

If you have any questions, please contact john@angelica-music or call 802-318-0564.

Again, thanks for your interest.
